

ADH82LCW 8kg freestanding heat pump tumble dryer, white 8kg

Features

- Dry load: 8kg
- Programmes: 12
- Progress indicator: Digital
- Dryer type: Heat pump
- Variable drying duration
- Delicates setting
- Reversible drum action
- Delay start function
- Anti-crease function
- LED display
- Drying time: 195min

Technical specification

- Rated electrical power: 236kW
- UK plug supplied
- Left on mode power consumption: 0.6
- Power supply: 13A
- Noise level: 69dBA
- Mains lead length: 1500mm

Energy

- Energy consumption per cycle: 1.98kW
- Energy efficiency class: A++
- Energy consumption per annum: 236kW.h
- Energy Rating: B

Programmes

- Programme 1: Iron
- Programme 2: Standard
- Programme 3: Extra dry
- Programme 4: Synthetic iron
- Programme 5: Synthetic standard
- Programme 6: Synthetics extra
- Programme 7: Silk
- Programme 8: Wool
- Programme 9: Mix
- Programme 10: Refresh
