

## FF820SC Freestanding full height larder fridge

## **Features**

- Electronic control with LED display
- LED interior lighting
- Frost free: Frost free (air draft)
- 1 lidded dairy compartment
- Salad crisper drawers: 2
- Storage containers: 2
- 6 adjustable glass shelves
- Door open signal
- Temperature rise signal
- · Reversible doors
- · Height adjustable feet
- In-door balconies: 4

## **Technical specification**

- Refrigeration type: R600a
- Total useable capacity: 350L net
- Noise level: 43dBA
- · Climate class: SN-T
- Total capacity: 355/350
- Compressor number: NS1060Y
- Max storage time (power failure): 6h
- Power cable length: 1.95m
- Power supply: 0A
- Rated power: 65W
- Refrigerant quantity: 58g
- Voltage/ frequency: 220-240/ 50

- Energy consumption in 24 hours: 0.309kW.h
- Energy consumption per annum: 113kW.h
- Energy rating: A++
