

|C|D|A|

Features

- Control system: Simple electronic
- Door open signal
- Reversible door
- Fixed hinges
- Height adjustable front feet
- Flame retardant metal back

Technical specification

- Power cable length: 180cm
- UK plug
- Noise efficiency class: B
- Noise level: 35dBA
- Climate class: ST
- Refrigerant type: R600a
- Refrigerant quantity: 25g
- Total capacity: 135L

Energy

- Energy rating: E
- Energy consumption per annum: 92kW.h

Fridge features

- Fridge capacity: 135L
- Egg tray: 1
- Salad crisper: 2
- In-door balcony: 2 large
- Adjustable glass shelf: 2
- Interior light: Lateral LED
